Odds and Ends

Boat for Sale

1992 Javelin 18' Fish & Ski model 373 with a
1994 150 HP Johnson and stainless steel prop.
Customs Frame drive on Trailer.
Motor Guide trolling motor, 2 depthfinders

The boat is a bit rough in condition with numerous surface scratches. It is a very sound as far as being water ready. Wendel never used it for skiing and it was not used for a couple of years so the motor has very low operating hours for its age. It would be a great starter boat for someone and it is a great family boat.
